

Science Exploration Day 2018

May 18, 2018 • St. John Fisher College • Rochester NY 14618

Central Western Section

Science Teachers Association of New York State, Inc.

Preregistration Information

You and your students in grades 7-12 are invited to attend the forty-seventh annual Science Exploration Day (SED) at St. John Fisher College next May. The dates are planned as follows:

Exhibits open to the Public
Grades 7-12

Thursday, May 17, 2018
Friday, May 18, 2018

Time: 7:00 PM - 9:00 PM
Time: 9:30 AM - 1:00 PM

Approximately 1500 students will attend seminars and exhibits presented by Rochester area colleges, industries, scientific societies, and medical facilities. Participation in SED is a unique experience that will stimulate each student's interest in the various science fields and create an awareness of career opportunities. **Junior high and senior high students will be signing up for the same program. If it is more convenient for your school to enrol them separately, please fill out a copy of the form below for each group.**

Please note that Friday's program is for grades 7-12 only. Children younger than seventh grade are not allowed on campus on Friday. Families with children of all ages are welcome to the Exhibit area Thursday evening.

Because St. John Fisher College has graciously opened its campus to your students, please use discretion in selecting **only students who are interested and responsible.** Depending upon total preregistration numbers, it may be necessary to limit student numbers from large schools. The cost per student to attend three 40-minute seminars and the exhibit area will be **\$3.00** (\$30.00 minimum per school) **payable** (check or purchase order) at registration **by March 9, 2018.** One adult supervisor (no fee) is required for every 20 or fewer students.

Each participating school must have **one** teacher who will serve as coordinator between other teachers in the school and the SED registrar. If your school plans to attend, please have the coordinator complete the accompanying preregistration form and **return it by December 2, 2017** to:

Michael R. Herzog
SED Registrar
3380 Shay Road
Naples NY 14512
(585) 554-6809
mherzog98@frontiernet.net

-----Cut off here and mail in by December 2, 2017-----

SED PREREGISTRATION FORM

MUST BE COMPLETED BY SCHOOL COORDINATOR AND POSTMARKED OR EMAILED BY 12/2/17

Name of Coordinator: _____ Home or Cell Phone: _____

School Name: _____ School Phone: _____

School Address: _____ City: _____ Zip: _____

E-mail Address: _____

Number of students requested: _____ Grade levels: _____

Total population of your school: _____

Special Note: Please remember that **one adult supervisor is required for every 20 or fewer students attending.**

SED Checklist

- ___ Appoint a School Coordinator, one for each level if you intend to enroll junior and senior high students separately.
- ___ Check your school calendar and clear the date with your principal and department chairperson (Do this NOW!):

Combined **Junior and Senior** High Day – **Friday**, May 18, 2018

While junior high and senior high students will be on campus on the same day and will attend the same program, they may be enrolled separately if it is more convenient for your school to do so.

- ___ Get approval for a field trip.
- ___ Arrange for bus transportation.

Note the times:

9:30 AM buses' arrival through **1:00 PM** buses' departure

- ___ Have at least one supervisor for every 20 or fewer students - recruit parents if necessary.

Choose only students who are interested and responsible.

Cost is **\$3.00 per student** (\$30 minimum per school) to be mailed (check or purchase order) by **March 9, 2018**.

Late registrations/payments cannot be accepted.

- ___ **Send the Preregistration Form by December 2, 2017 to:**

Michael R. Herzog
SED Registrar
3380 Shay Road
Naples NY 14512
